

A Community Oasis

While most people value nature, few of us take the time to enjoy and connect with our natural environment. The Robert J. Huckshorn Arboretum provides our community with a unique opportunity to explore and enjoy that connection. The Arboretum highlights our Florida ecosystems, and features native trees and shrubs. Pathways wind their way through this natural landscape, and benches scattered throughout allow visitors a chance to slow down and take pleasure in a moment of solitude. The Arboretum is also a retreat from the traditional classroom setting, adding depth to our students' learning experience.

This oasis would not be possible without the support of our community members. And YOU can help us grow too!

In celebration of Arbor Day, for the months of April and May, with any donation of \$100 or more, you will receive this 5X7 signed photograph titled, **Housekeeping** taken in the Arboretum by Tuly Datena, '88.

Donations of any size are appreciated and tax-deductible, and there are two ways to do it!

Write a check to the:

FAU Foundation, Inc.
Memo line: "Robert J. Huckshorn Arboretum"

Mail to:

Florida Atlantic University
FAU Foundation, Inc.
