

STORY WALK MAP

You will start the Story Walk in the Mixed Hardwood Swamp where you will find pages 1-5.

As you leave the Mixed Hardwood Swamp, you will go to your left and walk toward the Pine Flatwoods where you will find pages 6-10.

As you leave the Pine Flatwoods, continue straight along the path and take the first unpaved path into the Tropical Hardwood Hammock where you will find pages 11-14. As you walk along this path, when the path forks, take a hard right.

Take a left as you leave the Tropical Hardwood Hammock. Then take a right and then your first right into the Butterfly Garden where you will find the final pages of the story.
