

**SEA LEVEL RISE**

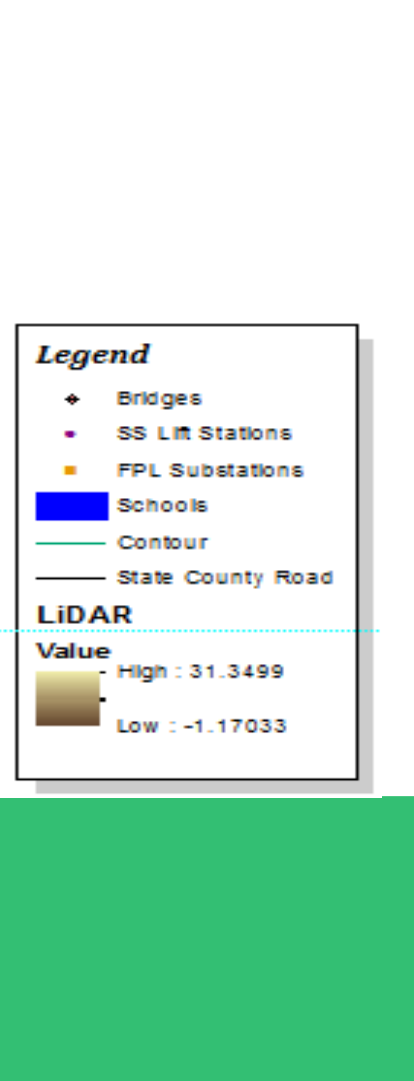

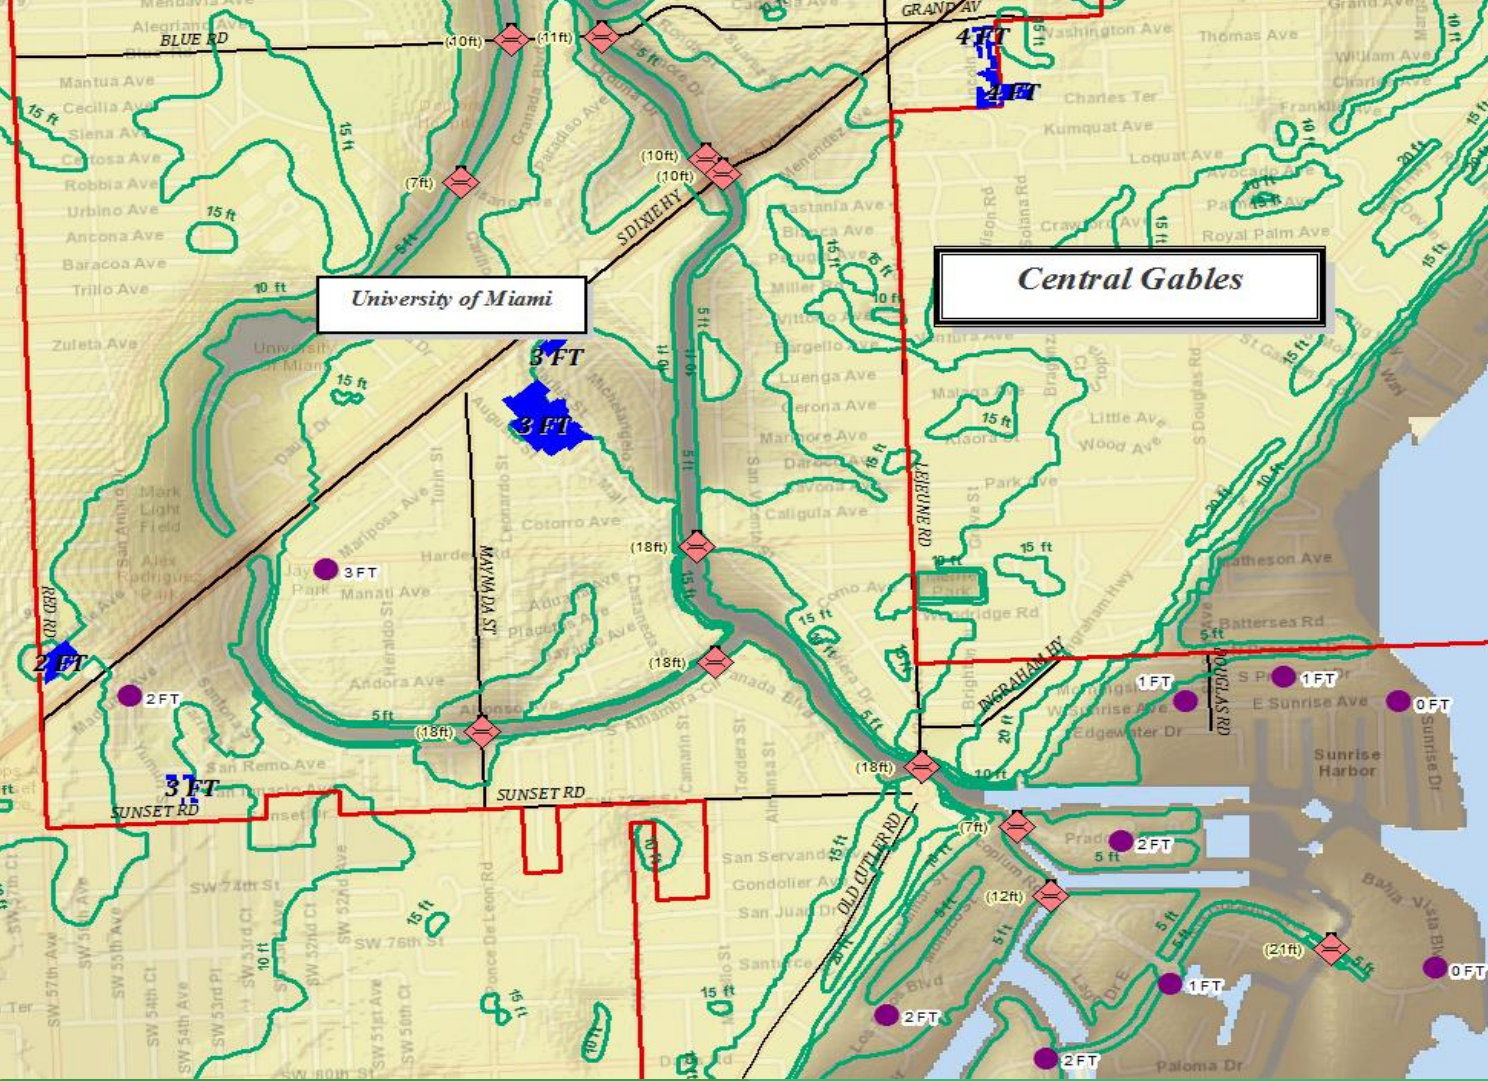

The image features a white background with a green diagonal band running from the bottom-left to the top-right. An orange triangle is positioned in the bottom-left corner, partially overlapping the green band. The text "SEA LEVEL RISE" is written in a bold, red, sans-serif font, slanted to follow the angle of the green band.

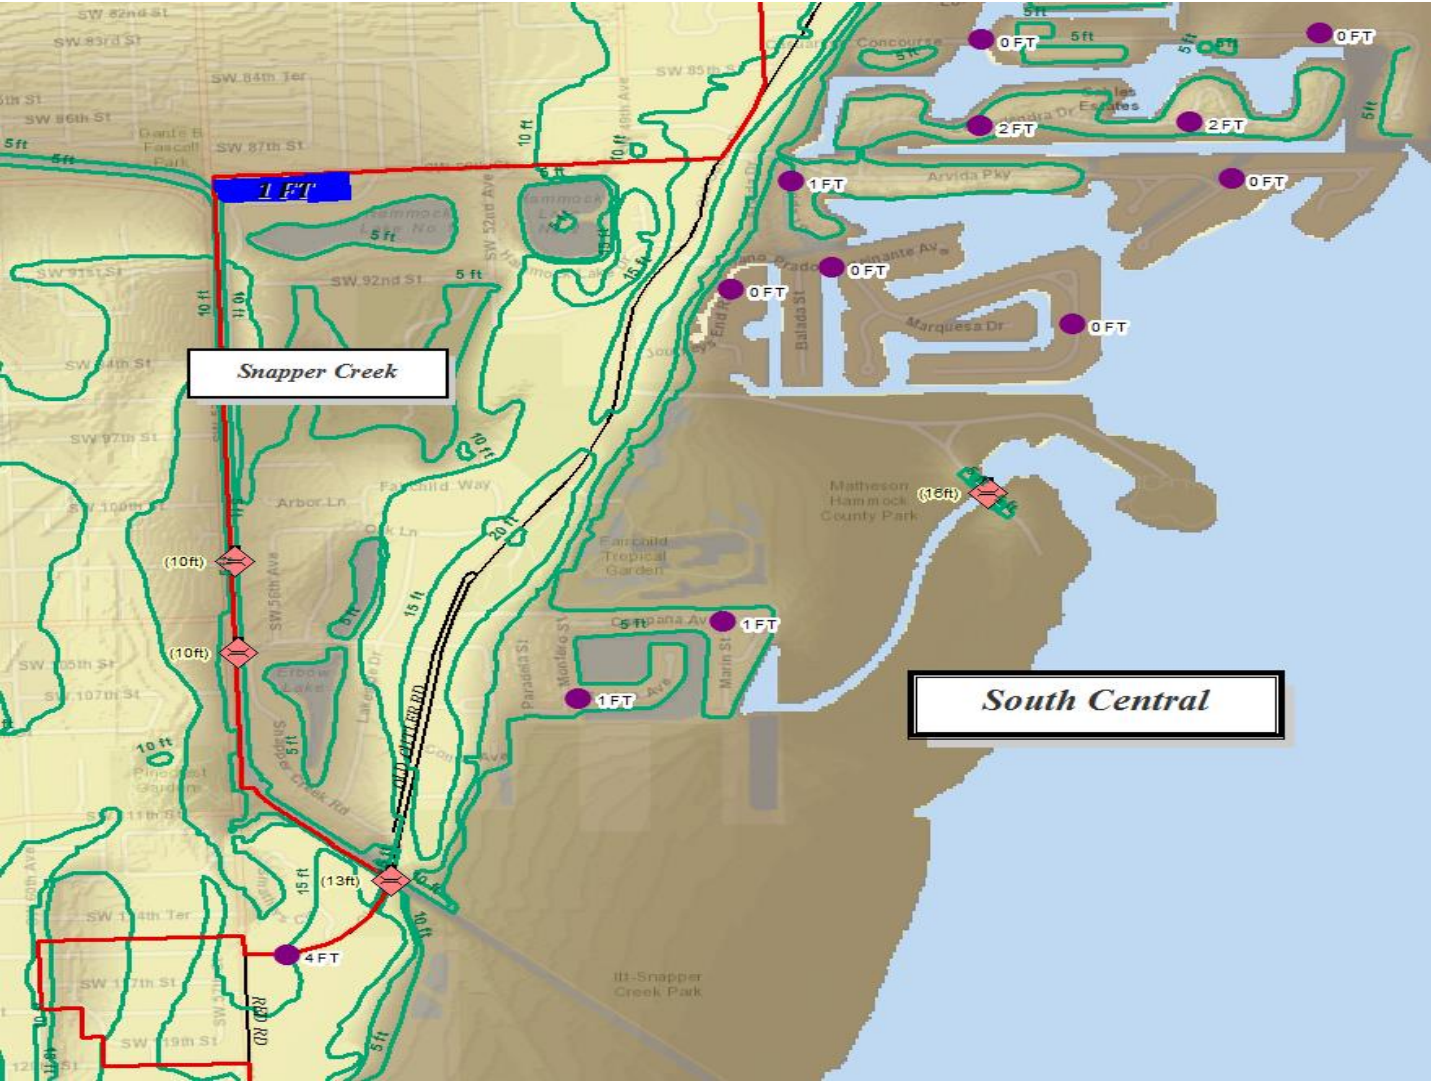

*I wonder when the city is going to do something about trash pits.*

*Don't hold your breath. I'm still waiting for them to do something about the traffic circles.*

# Fire and Ice

By Robert Frost

Some say the world will end in fire,  
Some say in ice.

From what I've tasted of desire  
I hold with those who favor fire.

But if it had to perish twice,  
I think I know enough of hate  
To say that for ~~absolution~~ <sup>Lack of</sup> ice

Is also great  
And would suffice.
