Highlights

- Topics presented on grazing management for goats
- Research presented on grazing demonstration

The Florida Grazing Lands Coalition (FGLC) is hosting a goat demonstration to present information on grazing management for goats. Speakers will include local goat producers from Florida who will present their unique problems and challenges on raising goats. Speakers from the Natural Resources Conservation Service will also be on hand to answer any questions. This demonstration project is funded by the Florida Grazing Lands Coalition. Come join us for an informative session on grazing management for goats in Florida. There is no fee to attend the workshop.
