

DuPuis Management Area Nature Lecture Series

All lectures take place in the conference room of the Visitors' Center at Gate 5

Geocache BLAST November 28, 2009

Begins at 10:00 am

Come out and participate in Geocaching – one of the hottest new recreational sports! Get expert instruction on how to operate a GPS and then search the property for hidden caches (1 day only!). Please bring your own GPS to participate.

A History of Dining in Southern Florida December 12, 2009

10:00 am – 12:00 pm

Join Michele Williams, Ph.D., RPA as she shares how the wealth of natural resources in southern Florida has made it a unique dining experience for over 10,000 years.

Astronomy Night January 16, 2010

6:00pm – 9:00pm

Explore the winter night sky with the Astronomical Society of the Palm Beaches! Telescopes will be set up for observations, but feel free to bring your own. Prepare for a tour of our wonderful Milky Way galaxy!

Guided Nature Walk February 27, 2010

7:30am – 11:00am

Enjoy a beautiful morning trek along the Florida Trail while observing the flora and fauna of the Pine Flatwoods and the Cypress Swamp. Space is limited, please call or e-mail to RSVP.

To get to DuPuis:

DuPuis is located 2 miles east of Port Mayaca or 7 miles west of the junction for 710 on Hwy 76.

The Visitors' Center entrance is at Gate 5.

23500 SW Kanner Hwy. Canal Point 33438

Call 800/432-2045, x3339 for more information and to sign up (recommended)

These lectures are sponsored by the South Florida Water Management District and coordinated by Florida Atlantic University's Center for Environmental Studies
