

# Brian Benscoter

- **Positions**
  - ▣ Assistant Professor, Department of Biological Sciences
  - ▣ Chair, Society of Wetland Scientists Peatland & Biogeochemistry Sections
  - ▣ Chair, Ecological Society of America 2016 Conference Local Host Committee
- **Research Interests** (from the Arctic to the Tropics)
  - ▣ Peatland (wetland) Ecology
  - ▣ Fire Ecology
  - ▣ Community & Ecosystem Ecology
- **Where do we work?**
  - ▣ Siberia, United Kingdom, Canada, Alaska, Montana, Idaho, Washington, Minnesota, Michigan, North Carolina, Florida

# Peatland Fire Ecology & C Cycling

- Investigate the vulnerability, impact, and response of Everglades wetlands to natural disturbances (fire and drought)
  - Physical combustion processes
  - Assessment of plant recovery
  - Quantification of fuel loading/C stocks
