

- Position
  - ▣ **Assistant Professor, Geoscience, FAU**
- Research Interests
  - ▣ **Coastal Morphology, Geology, Sedimentology**
- Why Florida...
  - ▣ **BEACHES...and the diverse coastal environments**

# Coastal Research

## Coastal morphodynamics

- Storm-impact and recovery
  - ▣ C. Aitken (MS)

## Coastal evolution

- Erosion mitigation
- Inlet-beach interaction
  - ▣ E. Vandamas (MS), R. Bobich (UG-DIS)

## Sediment transport

- Processes during energetic events
  - ▣ e.g., Norte
  - ▣ W. Warren (UG-DIS)
