From the EAST - Go to the town of Okeechobee: Take Highway 70 west through town and go through the main intersection of Hwy 70 & 441 (Parrott Ave - the corner of Walgreen’s and CVS). Go another few lights to the light intersection of Hwy 98 and Highway 70 (Liquor store and gas station on your right). Turn right (north) at the Hwy 98 light and continue for approximately 23 miles crossing over the Kissimmee River bridge. Riverwoods is approx 3 miles after the Kissimmee River bridge, and located on the right (north) side immediately after the small Cornwell sign on the right. Slow down and see below.

From the WEST - Take Hwy 27 to the intersection light at Highway 98 and Highway 27 just south of Sebring in Highlands County. Then go east (left) toward Okeechobee on Highway 98. Riverwoods is about 23 miles (and minutes) from the intersection of Highway 27 and Highway 98. Go through the small towns of Spring Lake and Lorida. Once you go over the railroad tracks in Lorida, Riverwoods is about 10 miles on the left. Go over the Istokpoga canal and past the S-65C boat ramp sign and road on the left, then past the Lykes Brothers sign on the right. Riverwoods is on the left after a small Cornwell sign on right. Slow down and see below.

From the NORTH - Go to Yeehaw Junction at the southern end of the turnpike. Go west to the 4 way stop signs at the junction of Hwy 441 at the Desert Inn. Take a left and go south about 20 minutes and watch for the small, blue County Rd 68 WEST sign on the right. It is past the blinking yellow light and just past an abandoned gas station/store. Turn right on Highway 68 WEST and go about 15 minutes to the end. It ends at Highway 98, and make a right. Go about 10 miles on HWY 98 over the Kissimmee River Bridge. Riverwoods is approx 3 miles after the Kissimmee River bridge, and located on the right (north) side immediately after the small Cornwell sign on the right. Slow down and see below.

As you approach Riverwoods from any direction: Just ahead are white trailers on both sides of the street. Riverwoods is on the (north) behind a wooden fence. Look for the Riverwoods Circle Road sign and turn onto the dirt driveway. The driveway forks, stay to the left and go to the third building set back under the oaks and marked with a wooden Conference Center sign. Park under the oaks and go in and get settled. You made it!
