

## □ Positions

- ▣ Associate Chair and Professor, Department of Civil, Environmental & Geomatics Engineering, FAU
- ▣ Director of the Laboratories for Engineered Environmental Solutions (Lab.EES)

## □ Research Interests

- ▣ Environmental Engineering
- ▣ Development of Innovative Treatment Technologies that Mimic Natural Systems
- ▣ Aquatic Water Quality
- ▣ Water Use Efficiency and Pollution Prevention Strategies
- ▣ Water/Wastewater Treatment Processes
- ▣ Solid/Hazardous Waste Management
